

## Eco Range

Proudly made in Australia the IXL Eco Tastic range has been designed using twin back draught flaps to prevent warm air escaping into the roof cavity when the exhaust fan is not in use. This helps maintain a comfortable temperature in the bathroom, meaning less energy is required for heating.

### Eco Triumph 11341 (Heat, light and exhaust)

- 2 x 275W instant heat infra-red lamps
- Exhaust capacity of 85 litres of air per second
- Engineered to seal when not in use - prevents back draughts
- Powerful 200mm exhaust fan
- 15W Compact Fluorescent Globe (available May 2008)
